Meldung

Zum 4. April

Berlins beste Pizzabäcker bitten wieder zu Tisch

Berlin (dpa/bb) - Wer ist der beste Pizzaiolo von Berlin? Von Donnerstag an zeigen ausgewählte italienische Restaurants in Berlin bei der dritten «True Italian Pizza Week» (Echt italienische Pizzawoche) wieder, was sie unter wahrer Pizza verstehen.

In den 32 teilnehmenden Lokalen haben die Gäste die Auswahl zwischen jeweils zwei Pizzen, die zusammen mit einem Aperitif und einem Digestif für 12 Euro probiert werden können. Einige Restaurants bieten wahlweise Pizza plus Softdrink für 10 Euro. Auf einem am Montagabend präsentierten Flyer sind alle Restaurants auf einem U-Bahn-Plan verzeichnet.

Zu essen gibt es neben Klassikern wie Margherita oder Marinara auch Kreationen wie Amatriciana, Vegetariana oder Pizza Sara. Alle 32 Restaurants tragen das Gütesiegel «True Italian» (Echt Italienisch), das von den Journalisten des «Berlino Magazine» vergeben wird, eines Berliner Online-Magazins auf Italienisch.

A Berlino la vera pizza italiana nella Pizza Week

Dal 4 al 10 aprile 32 locali selezionati

BERLINO

(ANSA) - BERLINO, 01 APR - Berlino è una delle città non italiane con la più alta concentrazione di pizzerie di qualità al mondo e il ritmo di apertura di nuovi locali di livello è in costante crescita, lo raccontano gli organizzatori della True Italian Pizza Week in apertura dal 4 aprile prossimo. Ormai non basta più dire pizza per attrarre un pubblico attento, bisogna offrire qualcosa di più. Per questo le pizzerie berlinesi si vanno specializzando, ciascuna in un tipo particolare: napoletana, romana o pizza frita. Per festeggiare questo successo dal 4 al 10 aprile prossimo si svolgerà nella capitale tedesca la terza edizione della Pizza Week in 32 locali della città. L'evento True Italian Pizza Week è organizzato da Berlino Magazine con il supporto dell'Istituto italiano di cultura di Berlino e il patrocinio del Comune di Napoli. La pizza napoletana è infatti dal 2017 patrimonio Unesco e per questo i partecipanti all'evento berlinese potranno concorrere su Instagram e vincere un soggiorno a Napoli per due persone. (ANSA).

Nini e Pettiroso

marianne_rennella This year's True Italian Pizza Week was great, because it made me discover this gem of pizzeria in deep Neukölln: @niniepettiroso! We really loved this Neapolitan Pizza: fruity, flavorful tomato sauce, real buffalo mozzarella and a juicy and light dough because of its rest of at least 48 hours. Incredibly underrated place! I also love this rustic and unpretentious way of serving food - I will definitely come back because I felt some strong Italian vibes here. Thank you @trueitalianberlin for this lovely event! •

[unpaid advert] the @trueitalianberlin #pizzaweek is well underway and the second place we checked out was @futura neapolitan pizza 🍕 I've been wanting to go there ever since it opened after hearing so many people rave about it and bc there's finally a decent Neapolitan pizza place in the Kiez!!

As part of the deal (€12 for a pizza and a cocktail + amaro) we tried the: Margherita al Filetto which comes with cherry tomatoes, buffalo mozzarella and del Monaco cheese 🍷 9/19 and the (swipe ➡️) pizza Gialla which comes with mozzarella, yellow cherry tomatoes, anchovies, olives and capers 🍷 6.5/10.

As you can see from the ratings, I loved the margherita: the toppings especially tasted amazing (love me some buffalo mozzarella) 🍷 I just wish it had been left in the oven a little bit longer as the dough was a bit too chewy still overall.

The pizza gialla unfortunately was pretty disappointing: the dough was undercooked, the taste too salty and the whole pizza was super wet for some reason 🍷 coupled with the terrible service (they got our starters wrong, we never got the amaro, and it was impossible to flag anyone down) I have mixed feelings about this place overall. I think I'll definitely give it another try because it's still early days, but this visit left me feeling a bit empty! 8/10 🍷 @ Futura Neapolitan Pizza

[unpaid advert] PSA: today is the final (!!) day of the @trueitalianberlin #pizzaweekberlin and I've had pizza pretty much every day of the week (#noregrets) 🍕.

Just when I thought I'd have to go eat alone bc all my friends were pizza'd out, @testmytaste came to the rescue and we headed to @ammazzachepizza to try their two pizzas on offer: the Pizza Ortolana which comes with tomato sauce, mozzarella and grilled vegetables 8.5/10 🍅 and the pizza mortazza which comes with mortadella, mozzarella and chopped pistachios 8.5/10 🍌.

Both pizzas were very good in their own way (loved the fresh toppings) but also not mind blowing, in particular I would've loved more pistachios on the mortazza, and I just prefer a fluffier dough (if you love a thin and crispy dough, this is the place for you) 🍕.

This is not to say that I didn't enjoy my visit though, the restaurant is decorated absolutely beautifully, the service was great and the rest of the menu looks delectable (there's even #glutenfree pasta options) 🍝 this is clearly a very solid addition to the neighbourhood, but unfortunately my heart still belongs to a more Neapolitan style pizza dough 🙄 8.5/10 also it was so great to finally get to meet you @testmytaste ❤️❤️ @ Ammazza che Pizza
