A Berlino l'evento italiano e internazionale del pistacchio

Questo weekend si svolge il "Pistachio Street Food Festival"

BERLINO

(ANSA) - BERLINO, 26 AGO - A Berlino si svolge questo fine settimana il "Pistachio Street Food Festival", completamente dedicato a pietanze tipiche a base di pistacchio oppure reinventate creativamente con l'utilizzo dell'ingrediente. Il festival è organizzato da Berlin Italian Communication - [True](#) Italian, che quest'estate ha già dato vita a manifestazioni come l'Italian Street Food Festival, a cui hanno partecipato oltre 7000 visitatori. Questa volta non ci saranno solo stand gastronomici italiani, ma anche iraniani, coreani, cileni e di altri paesi. L'evento si svolge sabato 27 e domenica 28 agosto presso il Jules B-Part, nel parco berlinese di Gleisdreieck.
